Munting Kaalaman: KATOLIKO
1h •

Matatandaan na matagal na silang nakikita sa CCF(Christ Commision Foundation - protestant side) subalit noong nakaraang pasko e nakita na sila sa loob ng ating simbahan. Ngayon naman e ito ang recent na post ni Matteo Guidicelli, sa post mukang may ihahatid na magandang balita dito.

Yes, we can run. We can sprint. But just as important is knowing when to stop and simply reflect.

A beautiful evening spent with Cardinal Tagle. A meaningful conversation, and time together to reflect on the things that matter, and why we do what we do.

Stop. Remember what anchors us: faith. Remember to pray because God finds a way, opens the way, and makes a way for things to happen.

Thank you, Cardinal, for the guidance and inspiration. 🙏

Sa statement mo na to, kahit papaano, natuwa akong makita ulit yung dating Robin Padilla na nakilala ko. At least, honest ka ngayon, Kuya.
Ang tanong ko lang, nasaan ka nung panahong nirered-tag ako kahit alam mong hindi totoo? Actually, kasama mo pa nga at kachikahan yung mga nangre-red-tag. Naghugas-kamay at pumikit sa katotohanan.
Isa sa mga pinakamalaking dahilan kung bakit ka binoto ng maraming Pilipino ay dahil inasahan nilang magiging matapang kang boses para sa mga kapatid nating Muslim. Pero bakit parang mas ipinaglalaban mo pa si Quiboloy? Naniniwala ka ba talaga na siya ang “appointed son of God”?
Isa ka sa pinaka-makabayang taong nakilala. Ikaw si Andres Bonifacio. Kaya nakakalungkot pag nakakabasa ako ng stand mo pagdating sa China. Hindi ito ang Robin Padilla na nakilala at hinangaan ko.
Kahit paano, alam kong halos pareho tayong landas na dinaanan. Galing sa hirap, nagtrababo ng maaga, tinangkilik at nakapagpasaya ng mga tao. Ang utang na loob natin ay sa ating diyos at sa lahat ng Pilipino —hindi lamang sa isang tao.

READ: Angel Locsin publicly calls out fellow actor, Sen. Robin Padilla, for his silence when she was red-tagged, expressing disappointment with his positions on issues involving detained televangelist Apollo Quiboloy and China.

“Hindi ito ang Robin Padilla na nakilala at hinangaan ko,” Locsin writes, urging Padilla to remember his loyalty to the Filipino people.

₱55.92 MILLION
Ito ang halaga ng cauldron na dinisenyo ni National Artist Francisco Mañosa para sa hosting ng Pilipinas ng 2019 SEA Games; binatikos ang halagang ito ni noo'y Senate Minority Leader Franklin Drilon
• DESIGN: ₱4.48 MILLION
• FOUNDATION: ₱13.44 MILLION
• CAULDRON: ₱32 MILLION
• WRIST TAGS: ₱6 MILLION
“A P50-million kaldero. Do you realize that at P1 million per classroom, this can construct 50 classrooms?”
— Ex-Senate Minority Leader Franklin Drilon (Nov. 18, 2019)
ANO ANG ISSUE SA SEA GAMES CAULDRON?
PINAIMBESTIGAHAN NOON
Bago pa man magsimula ang SEA Games, inutos na ni dating pangulong Rodrigo Duterte na imbestigahan ang mga umano'y anomalya sa palaro. Noong December 2019, bumuo ang Ombudsman ng seven-man panel para mag-imbestiga. Isinama sa imbestigasyon si Cayetano. Nahinto ang imbestigasyon dahil sa pandemic.
“There can never be corruption in that situation because you commissioned a national artist.”

DEPENSA NI CAYETANO
Ayon kay noo'y House Speaker Alan Peter Cayetano na chairman ng Philippine Southeast Asia Games Organizing Committee, mas mahal pa ang cauldron na ginamit sa 2015 SEA Games sa Singapore na aabot sa P64 million. Tinawag din niya ang cauldron na mahalagang simbolo ng SEA Games.
“Is it expensive, yes. But is it worth it? It's priceless, it's a work of art.”

Happy birthday, Josh Bradley. I was reminded recently by some fans that there was Josh Bradley day that they would celebrate after I played the character for the mini series in the Philippines, Nandito Ako. I sang a version of the olgie alcasid song with the same title which it was named after. I thought it would be fun to look back on my experience where I spent over a month there filming. It's hard to believe it's been so many years since Nandito Ako, but the love continued for this character and me beyond the show each time I meet fans from the Philippines, and each time I've gone back to do shows there where I've been shown Josh Bradley signs and memorabilia fans bring—always brings back such fun nostalgia of filming with the cast and crew with whom I grew so close to during filming. Thank you to the filipino fans for supporting my music, my journey, and every chapter in between. I'm so grateful for all of you! 🥹🙏 I've got a few surprises coming for the Philippines soon…

Akbayan Partylist Rep. Chel Diokno represents the prosecution team for the oral arguments on Wednesday, July 15.

Diokno says the truth will be revealed by scrutinizing the bank, BIR, and AMLC records of the VP and her husband.

"Mailalahad ang buong katotohanan tungkol sa mga alegasyon sa article 2 ng Articles of Impeachment. Una na pinayaman ni Bise Presidente ang kanyang sarili nang labis-labis.... na mayroon siyang mga ari-ariang hindi idineklara sa kanyang Statement of Assets, Liabilities, and Net Worth... na nakibahagi siya sa negosyo, directly or indirectly, kahit ipinagbabawal ito ng ating Konstitusyon."

Diokno argues that the Constitution has vested the impeachment court with extraordinary powers, which is why the statement of the defense that it does not have authority to scrutinize these records is "not only legally flawed," but is also an affront to the court.

Diokno says the prosecution vehemently disagrees with the statement of Duterte's camp that the vice president's financial records before becoming an impeachable official are irrelevant.

Jul 16, 2026 09:40:03

Diokno says the prosecution vehemently disagrees with the statement of Duterte's camp that the vice president's financial records before becoming an impeachable official are irrelevant.

He says based on the AMLC report, the financial activity of Duterte when she was vice mayor and mayor of Davao City exceeds P3 billion.

Diokno asserts this is relevant to article 2 which alleges that Duterte betrayed public trust and committed a culpable violation of the Constitution due to amassing wealth. He also says this directly relates to her fitness or unfitness to serve as vice president.

Diokno points out that framers of the 1987 Constitution added betrayal of public trust as a ground for impeachment. #VPOnTrial (📷: Senate of the Philippines/YouTube) | via Victoria Tulad, ABS-CBN News

PEOPLE-CENTERED PUBLIC SERVICE

One of the most meaningful parts of public service is meeting the people we serve every day. Whether welcoming our senior citizens and indigenous people, sharing a smile with young visitors, listening to barangay officials, or discussing concerns with our local stakeholders, every conversation is an opportunity to better understand the needs of our communities.

Nagakalain-lain man ang ila mga istorya, mga kinahanglanon, kag mga handom para sa ila komunidad, ang importante nga ang aton opisina nagapabilin nga bukas kag handa nga makigsugilanon.

Ari lang kita nga nagapamati kag nagapatigayon agod ang mga proyekto sang probinsiya makalab-ot sa kabarangayan kag mapuslan sang aton mga kasimanwa.

Anger is mounting in Pakistan-Occupied Kashmir as thousands protest against Pakistan's Army and Field Marshal Asim Munir following deadly clashes that left civilians dead.

With unrest spreading across PoJK, Balochistan and Khyber Pakhtunkhwa, pressure is growing on Islamabad amid rising calls for freedom.

Meanwhile, the India-UK Comprehensive Economic and Trade Agreement (CETA) has officially come into force, offering duty-free access for most Indian exports while promising lower tariffs on select British products, stronger investment and new opportunities for trade, jobs and economic growth.

In the summer of 2025, while Paulina was shooting a movie in the Czech Republic, Jeff proposed with a unique, Czech-made ring.

The couple's post-engagement trip around Europe led them to their wedding venue: Villa Crespi in Orta San Giulio, Italy. “It’s an incredibly romantic location no one seems to know about," says says Paulina. The ceremony at the lakeside garden patio was followed by an evening of dinner, toasts, and lots of dancing. "We’re warmed by feeling we got exactly the wedding we wanted," say the newlyweds as they reflect on the day. Tap the link in our bio for more on the romantic celebration in Italy.

Captain Chesley "Sully" Sullenberger reveals he has been diagnosed with Alzheimer's. The nation's beloved pilot earned fame when he safely landed a jetliner in New York's Hudson River after a bird strike crippled the aircraft, saving everyone on board in 2009. It became known as the "Miracle on the Hudson." Captain Sully is now 75 and says he won't let the disease stop him from living his life.

Nung mga panahong magkasama tayo, madalas mong ikwento yung panahon na namundok ka at nag-armas para ipaglaban ang bayan. Sabi mo pa nga, dinadalaw ka ng ex mo sa bundok.

Sa statement mo na to, kahit papaano, natuwa akong makita ulit yung dating Robin Padilla na nakilala ko. At least, honest ka ngayon, Kuya.

Ang tanong ko lang, nasaan ka nung panahong nirered-tag ako kahit alam mong hindi totoo? Actually, kasama mo pa nga at kachikahan yung mga nangre-red-tag. Naghugas-kamay at pumikit sa katotohanan.

Isa sa mga pinakamalaking dahilan kung bakit ka binoto ng maraming Pilipino ay dahil inasahan nilang magiging matapang kang boses para sa mga kapatid nating Muslim. Pero bakit parang mas ipinaglalaban mo pa si Quiboloy? Naniniwala ka ba talaga na siya ang "appointed son of God"?

Isa ka sa pinaka-makabayang taong nakilala. Ikaw si Andres Bonifacio. Kaya nakakalungkot pag nakakabasa ako ng stand mo pagdating sa China. Hindi ito ang Robin Padilla na nakilala at hinangaan ko. Kahit paano, alam kong halos pareho tayong landas na dinaanan. Galing sa hirap, nagtrababo ng maaga, tinangkilik at nakapagpasaya ng mga tao. Ang utang na loob natin ay sa ating diyos at sa lahat ng Pilipino —hindi lamang sa isang tao.

Tama na, Kuya. Gising na. Hindi pa huli ang lahat.

Para sa mga DDS na walang ambag sa bansa na nagtatanong kung bakit tahimik si Angel Locsin sa issue ng flood control.

FYI, nag-ingay po siya. Kayo, bakit tahimik kayo sa P51-billion flood control ni Pulong?

Watching the hearings, I couldn't help but remember the messages and news of people begging for help. Families with homes washed away, parents who lost their work, lives lost to floods/typhoons. Naiiyak ako sa galit. kasi pwede pa lang hindi sila naghirap. Pwede pa lang walang nasaktan. Pwede pa lang walang namatay.
Ang bigat. Nakakapanghina yung ganitong kasamaan. Pero mas nakakapanghina kung mananahimik lang tayo. Kaya we keep speaking, we keep fighting. For truth. For justice. For change. No politics. Para sa tao

Volodymyr Zelenskyy dismisses Ukraine's popular defence minister

Mykhailo Fedorov, credited with transforming the ministry, ousted in reshuffle after six months in post

Volodymyr Zelenskyy has dismissed Ukraine's popular defence minister, despite pleas from foreign partners and civil society for him to keep his job, as part of wide-ranging government reshuffle.

In a post on Telegram Mykhailo Fedorov announced that he was leaving his position, saying it had been a "great honour" to serve the Ukrainian people. He was widely credited with transforming the defence ministry and reducing corruption.

His six months in office coincided with a dramatic improvement in Ukraine's position on the battlefield. Kyiv has repeatedly hit Russian oil refineries with long-range drones, embarrassing Vladimir Putin and creating nationwide fuel shortages.

In his farewell message Fedorov, 35, listed his achievements. They included disabling Starlink

sight of her in person took my breath away," remembers Jeff. In the summer of 2025, while Paulina was shooting a movie in the Czech Republic, Jeff proposed with a unique, Czech-made ring.

The couple's post-engagement trip around Europe led them to their wedding venue: Villa Crespi in Orta San Giulio, Italy. "It's an incredibly romantic location no one seems to know about," says says Paulina. The ceremony at the lakeside garden patio was followed by an evening of dinner, toasts, and lots of dancing. "We're warmed by feeling we got exactly the wedding we wanted," say the newlyweds as they reflect on the day. Tap the link in our bio for more on the romantic celebration in Italy.

'IT'S A MIRACLE'

Nagpugay si Sen. Panfilo Lacson sa UP-Philippine General Hospital para sa aniya'y integridad matapos suriin si Sen. Rodante Marcoleta bago siya ilipat sa Quezon City Jail nitong Miyerkules.

Kasunod ito ng ulat ng UP-PGH na hindi kinakailangang manatili ni Marcoleta sa ospital.

IMPEACHMENT, DAPAT NAKABASE SA EBIDENSYA, HINDI SPECULATION — VP SARA

Iginiit ni Vice Pres. Sara Duterte na pinapatunayan ng impeachment trial nitong Lunes, July 13 na hindi suportado ng ebidensya ang impeachment complaint laban sa kaniya.

"Repeatedly claiming that there were threats when none existed, inventing an assassin where there was none, and fabricating evidence to support those claims does not transform fiction into fact," saad ni VP Sara.

Sinabi ito ng bise sa kasabay ng ikalimang araw ng kaniyang impeachment trial.

JESUS, I TRUST IN YOU ☝️

The simple prayer, "Jesus, I trust in You," is a powerful reminder to place complete confidence in God's mercy and loving providence.

No matter the trials, uncertainties, or burdens of life, those who entrust themselves to Christ are invited to find peace in His unfailing love. May this prayer inspire every heart to surrender with faith, hope, and trust in the Lord.

Now it all makes sense bakit hindi binira ng Defense ang backstory or personal na buhay ni Atty. Jeremy Lotoc noong kino-cross examine siya to test his credibility as a witness.

Standard tactic na kasi na tingan din ang personal na buhay ng witness to expose any credibilty issues. Instead, napunta lang sa typo errors at akusasyon na “golden boy” siya ng NBI.

Because if the defense went through his personal life, the Filipino people would know that Atty. Jeremy Lotoc is a man of honor and integrity.

Sino ba si Atty. Lotoc? Ipinanganak sa Tacloban sa isang ordinaryong pamilya. Pangingisda ang hanapbuhay ng kanyang ama samantalang housewife ang kanyang ina.

To have a better lot and chance in life, nag-OFW bilang isang marino. During this time, naging pastor din siya sa isang Christian church.

Kalaunan bumalik sa Pinas si Atty. Jeremy Lotoc para tumulong sa fishing business ng kanyang pamilya and at the same time, pursue law, inspired by his aunt who was a practicing lawyer.

Jul 16, 2026 11:16:27

kanyang pamilya and at the same time, pursue law, inspired by his aunt who was a practicing lawyer.

He passed the bar in 2012 on his first try. By this time, Atty. Lotoc already had a wife and young son. Then came the Yolanda tragedy in 2013 in Tacloban. Natangay ng storm surge ang pamilya niya. His wife and his father perished in the calamity. He himself barely survived, but managed to save his son and other family members.

Soon after, he joined the NBI as a young recruit, quickly rose through the ranks not only through sheer hard work, but also out of a sense of duty for his country.

Ang kwento ng pagpupursige para sa isang ordinaryong pamilya seems to run in the family as he also has a sister who is a licensed physician.

The fisherman, former OFW, pastor, lawyer, widower, and Yolanda survivor has since remarried a fellow lawyer.

Atty. Jeremy Lotoc is a straight-up honorable, dedicated, NBI law enforcement agent and director diligently working behind scenes who was suddenly thrust in the national limelight.

Atty. Jeremy Lotoc is a straight-up honorable, dedicated, NBI law enforcement agent and director diligently working behind scenes who was suddenly thrust in the national limelight.

The defense and allies of Sara Duterte wanted to shake his credibility to the core, but they left his backtory untouched because they knew he is a man of integrity. And throughout the 11-hour, two-day cross-examination, Atty. Lotoc showed what integrity looks like under pressure.

(Again, many thanks and a big shoutout to Dr. Ronald Lotoc for graciously sharing the journey of his cousin, Atty. Jeremy Lotoc.)

FLASHBACK: On this day in 2023, Taylor Swift's "Speak Now (Taylor's Version)" debuted at No. 1 on the Billboard 200, becoming her 12th chart-topping album.

The achievement saw Swift surpass Barbra Streisand for the most No. 1 albums by a female artist in the history of the Billboard 200.

She would later extend that record with three more No. 1 albums: "1989 (Taylor's Version)", released later that year; "The Tortured Poets Department" in 2024; and "The Life of a Showgirl", released last year, all of which also debuted at No. 1 on the Billboard 200.

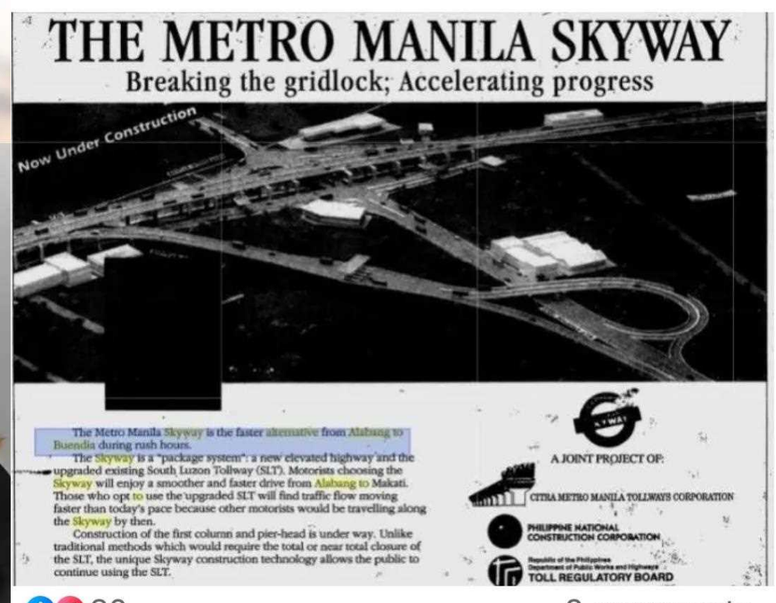
Metro Manila Skyway ad from Manila Standard (Mar 18, 1996)



THE METRO MANILA SKYWAY
Breaking the gridlock; Accelerating progress
Now Under Construction
The Metro Manila Skyway is the faster alternative from Alabang to Buendia during rush hours.
The Skyway is a "package system": a new elevated highway and the upgraded existing South Luzon Tollway (SLT). Motorists choosing the Skyway will enjoy a smoother and faster drive from Alabang to Makati. Those who opt to use the upgraded SLT will find traffic flow moving faster than today's pace because other motorists would be travelling along the Skyway by then.
Construction of the first column and pier-head is under way. Unlike traditional methods which would require the total or near total closure of the SLT, the unique Skyway construction technology allows the public to continue using the SLT.
A JOINT PROJECT OF:
CITRA METRO MANILA TOLLWAYS CORPORATION
PHILIPPINE NATIONAL CONSTRUCTION CORPORATION
Republic of the Philippines Department of Public Works and Highways

ICYMI | **ABS-CBN**, PATULOY NA ISINUSULONG ANG PAGKAKAISA NG TV NETWORKS SA PAGHAHATID NG MGA MAKABULUHANG PROGRAMA PARA SA MG MANONOOD

Nitong Hunyo 22, nasaksihan natin ang pagsasanib-pwersa ng mga TV network sa pagsalubong sa pagbabalik ng Primetime King at Hari ng Aksyon ng ating Henerasyon, Coco Martin, sa seryeng **Sigabo**, kasama ang Prime Actress na si **Julia Montes**.

Mainit na sinalubong ng mga manonood ang programa at pinatunayan na ito talaga ay pinaghirapan at pinag-isipang mabuti dahil sa naiiba nitong approach sa aksyon at sa takbo ng istorya na sumesentro sa mga tipikal at tunay na kalagayan ng mga mararlitang Pinoy na sinasamantala ng mga masasamang elemento sa lipunan, mayaman man o mahirap.

Sa kabila ng mga patutsada ng ilang netizens dahil sa kalidad at takbo ng kwento ni Gabo, at maging ang kompetisyon ng ilang estasyon at mas iniisip pa ang taas ng TV ratings kaysa sa kapakanan ng audience, hindi na iyon gaanong iniisip ng ating Kapamilya Network, dahil noon pa man, ang isinusulong ng ating ABS-CBN at ng ibang mga media entities gaya ng **A2Z**, ALLTV2 at maging ang TV5 na isa sa mga malalaking TV network sa kasalukuyan na magkaisa sa

Sa kabila ng mga patutsada ng ilang netizens dahil sa kalidad at takbo ng kwento ni Gabo, at maging ang kompetisyon ng ilang estasyon at mas iniisip pa ang taas ng TV ratings kaysa sa kapakanan ng audience, hindi na iyon gaanong iniisip ng ating Kapamilya Network, dahil noon pa man, ang isinusulong ng ating ABS-CBN at ng ibang mga media entities gaya ng **A2Z**, ALLTV2 at maging ang TV5 na isa sa mga malalaking TV network sa kasalukuyan na magkaisa sa paghahatid ng mga makabuluhang programa para sa mga manonood.

Bukod sa **#Sigabo**, kasalukuyan nang ipinapalabas sa Kapamilya platforms ang isa sa Kapatid-produced talk show na "Face to Face with Ate Koring", at maging ang dalawa sa minahal na game shows, na ang layunin ay magbigay ng saya at makatulong sa nangangailangan, ang "Kapamilya Deal or No Deal" at ang "Everybody, Sing", na napapanood na sa TV5, sa bisa ng panibagong kasunduan ng dalawang higanteng kumpanya. Nakatakda namang isaere ang inaabangang serye nina Kathryn Bernardo, **James Reid** at **Maja Salvador** na "Someone, Someday" sa Kapatid Network at ang isa pang Kapatid-produced serye na ipapalabas sa Kapamilya platforms, ang "A Secret in Prague" ng mga dating Kapamilya talents na sina Enrique Gil at Andrea Brillantes sa Hulyo 27, habang aabangan na rin ang full series version ng "Love is Never Gone" nina Joshua Garcia at Ivana Alawi.

Jul 16, 2026 11:18:38

series version ng "Love is Never Gone" nina Joshua Garcia at Ivana Alawi.

Labis ang pasasalamat ni Direk Coco sa hangaring ito ng ABS-CBN na mapalawak ang coverage ng mga programa nito para sa mas maraming audience. Aniya, isinisigaw na sa buong Pilipinas na dapat na magtulungan at magsuportahan para sa layuning ito.

Nakakutuwang isipin na ang mga TV network ay nasa iisang layunin, ang iwaksi ang sinasabing "network war" na pinapairal noong may prangkisa pa ang Kapamilya Network, na nagdudulot rin ng sigalot sa fans, na malinaw na hindi ito magandang tingnan sa paningin ng marami na ang hangarin lang ay makapanood ng palabas, maaliw at hindi na lang iniintindi ang mga numero na ipinapalabas ng kakumpitensyang network.

Isipin rin natin. Maging ang mortal na katapat ng ABS-CBN na GMA Network ay nagtutulungan na sa pag-ere ng ilang mga programa, mula sa pagpapalabas ng ilang pelikula ng Star Cinema sa movie blocks, hanggang sa collaboration projects gaya ng "Unbreak My Heart", ang katatapos lang na "The Secrets of Hotel 88", ang paparating na "Honor Thy Mother", ang dalawang celebrity collab editions ng "**Pinoy Big Brother**" at ang patuloy na pagpapasaya ng "It's Showtime" sa madlang pipol sa Kapuso Network. Maging ang katapat na noontime show na Eat Bulaga, na umeere sa TV5 ay ineenjoy na rin ng mga dabarkads sa RPTV, at balak na rin ng government-based station na PTV na makipagtulungan na rin sa mga malalaking media networks.

Dagdag ng beteranang kolumnistang si Salve Asis ng Philippine Star, sa dami ng mga kalabang palabas, kailangan talaga na magsama ang media para mabuhay, at ang tunay na laban ay hindi na tungkol sa tapatan ng networks, kundi kung paano maihahatid ang mga palabas sa mas malawak na audience.

Babay na talaga sa network war. Ilang fans na lang ang nag-iisip na ganoon pa rin ang labanan, lalo na ng hardcore fans ng isang estasyon.

TAMA NA PO ANG GANYANG MINDSET. Oras na po talaga na magkaisa at magtulungan upang tayo na mga manonood ay maaliw at makapulot ng aral at kaalaman sa mas malawak na pamamaraan.

This is indeed a new era of bringing stories to the audience. And as always, **ABS-CBN** is a PIONEER of what we're calling a "true" meaning of UNITY in broadcasting, and always true to its words, **#InTheServiceOfTheFilipino**. ❤️💚💙

'IT'S A MIRACLE!'

Senator Ping Lacson on Thursday commended UP-PGH for "putting professionalism and integrity above all other considerations" in submitting their medical report on Sen. Rodante Marcoleta to the Sandiganbayan.

"It's a MIRACLE! Naka-wheelchair pumasok, brisk walk lumabas," he wrote on his X post.

"Kudos to UP-PGH for putting professionalism and integrity above all other considerations in submitting their medical report to the Sandiganbayan," Lacson added. | via Mark Villeza

Sister Anna Ali, a Kenyan Catholic nun of the Most Holy Eucharist, shared profound testimony of mystical encounters with Jesus while studying in Rome. Starting in early August 1987, Jesus appeared to her in her room.

She personally took the photographs after asking Our Lord if she could capture His image, as she could not draw. Jesus consented, appearing as a living person to help more souls believe.

The images spread widely on prayer cards. One is a close-up portrait of a light-skinned man with sorrowful eyes, long dark hair, beard, and red cloak. The second shows the same figure with tears of blood, evoking Christ's Passion and mercy.

Sister Anna used her own camera (often a Kodak), which reportedly never worked properly again due to the intense light.

These images have inspired deep prayer and devotion to the Holy Face of Jesus and the Sacred Heart for many worldwide.

The Catholic Church has not given them official supernatural authentication. They are regarded as subjective personal icons or devotional images that can aid private prayer, but are not considered authenticated relics or apparitions. The Church encourages prudent discernment and fidelity to approved teachings.

As we contemplate His loving yet sorrowful gaze, may we draw closer to Jesus in the Eucharist. "Come to Me, all you who labor and are burdened, and I will give you rest." (Mt 11:28)

O Jesus, Divine Mercy, have mercy on us. Draw us to Your Sacred Heart. Amen. 🙏

“Pinopolitika Lang Kami” — Ang Pambansang Escape Room ng Korap

Ang pinakamadaling sabihin kapag may amoy na nasusunog sa kusina ng gobyerno: “Pinopolitika lang kami.”

Ang galing, ’di ba? Parang magic spell. Isang sambit lang, biglang nawawala ang tanong. Biglang hindi na pera ng bayan ang pinag-uusapan. Hindi na pirma. Hindi na ledger. Hindi na kontrata. Hindi na mga pangalan na parang dumaan sa photocopy ng konsensya. Ang usapan na raw ay pulitika.

Aba, malamang pulitika. Senado ’yan, hindi birthday party sa Jollibee.

Pero gaya ng paalala ni Miriam Defensor Santiago, hindi iyon ang punto. Lahat naman sa kapangyarihan ay may bahid ng pulitika: ang reklamo, ang imbestigasyon, ang depensa, ang timing, ang presscon, pati ang biglang pagiging allergic sa tanong kapag malapit na ang spotlight. Ang tunay na tanong ay hindi kung may pulitika. Ang tanong ay kung may ninakaw.

Kasi kung inosente ka, bakit mas mabilis pa sa WiFi ang sigaw mong “politically motivated” kaysa sa paglabas ng matinong paliwanag?

2026-07-16 12:13:39

Kung malinis ang kamay, bakit parang bawat dokumento ay kailangang dumaan muna sa car wash ng spin doctors?

Kung wala kang tinatago, bakit ang depensa mo ay parang lumang aparador sa bahay ng lolo: pag binuksan, hindi damit ang lalabas—alibi, affidavit, technicality, at isang misteryosong amoy ng “huwag na nating ungkatin ’yan.”

At dito nagiging nakakatawa ang drama ng mga nasa mataas na upuan. May ilan diyan na kung umasta, akala mo sila ang biktima ng kasaysayan. Parang ang problema ng bayan ay hindi gutom, utang, baha, presyo ng bigas, at nawawalang pera, kundi ang sobrang sama ng loob nila dahil tinanong sila.

Kawawa naman. Public official lang sila. Sahod lang nila galing sa taumbayan. Power lang nila galing sa boto. Immunity lang ang hinahanap kapag may tanong, pero authority ang bitbit kapag may pakinabang.

Ang cute ng arrangement: kapag sila ang naniningil, “accountability.” Kapag sila ang sinisingil, “persecution.”

Kapag kalaban ang iniimbestig

2026-07-16 12:13:43

Kapag kalaban ang iniimbestigahan, “let justice take its course.” Kapag kakampi ang nadidiin, “nasaan ang due process?” Kapag sila ang may hawak ng martilyo, batas ang tawag. Kapag sila ang nasa ilalim ng martilyo, oppression agad. Ang husay. Olympic gold sa mental gymnastics, may pa-tumbling pa sa Constitution.

Pero ang taumbayan, kahit pagod, hindi tanga.

Alam ng ordinaryong Pilipino ang diperensya ng pulitika sa pagnanakaw. Alam niya ’yan dahil araw-araw niyang binabayaran ang kabiguan ng mga nakaupo. Kapag kulang ang ayuda, ramdam niya. Kapag sablay ang ospital, ramdam niya. Kapag ang kalsada ay ginawang proyekto pero hindi daan, ramdam niya. Kapag ang buwis niya naging buffet ng makakapal ang mukha, ramdam niya.

Kaya huwag ninyong gawing tabing ang “pinopolitika lang kami.”

Hindi kumot ang pulitika para takpan ang baho. Hindi holy water ang word na “motivation” para mabinyagan ang kalokohan. Hindi porke may kalaban kang gustong bumagsak ka, ibig sabihin hindi ka na puwedeng tanungin kung bakit may butas ang kaban.

Ang magnanakaw, kahit may kalaban, magnanakaw pa rin.

2026-07-16 12:13:47

Ang magnanakaw, kahit may kalaban, magnanakaw pa rin.

Ang may atraso, kahit marunong umiyak sa microphone, may atraso pa rin.

Ang may paliwanag, magpaliwanag. Ang may resibo, ilabas. Ang may konsensya, huwag magtago sa likod ng procedure habang ang taumbayan ang nagbabayad ng bill.

Dahil sa dulo, hindi naman mahirap ang tanong.

Hindi ito thesis defense. Hindi ito constitutional law exam. Hindi ito teleserye kung saan kailangan munang umiyak sa veranda bago lumabas ang katotohanan.

Simple lang:

Nagnakaw ka ba?

At kung ang sagot mo ay puro sermon tungkol sa pulitika, baka kaya ang haba ng sagot mo ay dahil hindi mo kayang sabihin ang pinakamaikling salita:

Hindi.

Wala akong sinasabing puro news programs ang ilagay sa ABS pati sa kahit anong network at channel pa yan. Variety ang nais ko talaga. Higut sa lahat din, hindi labis na drama.

Eh pero kahit ano at sino pa ang ilagay, pati kahit ano pang dami yan ng news at entertainment, di parati lahat papanigan at tatangkilikin yang mga iyan eh.

May damdamin din ang mga suki't napapadaan pa diyan. Pabago-bago pa nga eh. 😅😅😅

Seventh Day Adventist DEBATER AT VLOGGER, NAG-KATOLIKO ❤️⛪❤️

Mainit na tinanggap ng mga mananampalatayang Katoliko at ni Bishop Ruben Labajo si Bro. Amek Taglinao, dating vlogger ng Seventh-day Adventist Church, matapos siyang tumanggap ng Sakramento ng Binyag sa Simbahang Katolika.

Nang kumalat ang balitang magpapabinyag si Bro. Amek, maraming Katoliko ang nagtungo upang saksihan ang mahalagang sandali ng kanyang pagtanggap sa pananampalatayang Katoliko. Gayunman, may ilan na dumating nang huli at hindi na naabutan ang mismong seremonya ng binyag.

Marami rin ang nagpahayag ng kanilang kagalakan at pagbati kay Bro. Amek sa kanyang naging pasya na yakapin ang pananampalatayang Katoliko. Ayon sa ilang sumusuporta sa kanya, kahanga-hanga ang kanyang katatagan sa kabila ng mga umano'y pagbabanta at matitinding pagsubok na kanyang hinarap.

JUST IN: Malacañang on Thursday said there are records showing that former Bases Conversion and Development Authority (BCDA) president Vince Dizon had already been investigated and cleared over the alleged anomalies in the 2019 Southeast Asian (SEA) Games.

The statement came after Senator Alan Peter Cayetano said he should not be blamed for the issue, arguing that some of the processes related to the Games were handled by the BCDA under Dizon's leadership.

Palace Press Officer Claire Castro also said Cayetano was not investigated at the time because former President Rodrigo Duterte had publicly cleared him before any formal investigation could proceed.

TOUCH THE MOUNT CARMEL SCAPULAR.

Take a moment today to touch your Brown Scapular with reverence and gratitude. It is more than a piece of cloth—it is a sacramental of the Church, a sign of your consecration to the Blessed Virgin Mary, and a reminder to live faithfully as a disciple of Jesus Christ.

As your fingers touch the scapular, renew your trust in Our Lady of Mount Carmel. Ask her to wrap you in her maternal mantle, strengthen you against temptation, guide you in holiness, and lead you always to her Son. The scapular is not a lucky charm or a guarantee of salvation; its true power lies in the faith, prayer, and Christian life of the one who wears it.

Our Lady of Mount Carmel, pray for us! 🤎

SAINT JOHN VIANNEY PRAYER OF PROTECTION TO THE BLESSED VIRGIN MARY

Marian Prayer written by the Curé of Ars:

O most holy Virgin, Mary, who evermore stands before the most holy Trinity, and to whom it is granted at all times to pray for us to your most beloved Son; pray for in all my necessities; help me, protect me, and obtain for me the pardon of all my sins. Help me especially at my last hour; and when I can no longer give any sign of the use of reason, then encourage me, make the sign of the cross for me, and fight for me against the enemy. Make in my name a profession of faith; favor me with a testimony of my salvation, and never let me despair of the mercy of God. Help me to overthrow the tempting enemy.

2026-07-16 14:20:18

of God. Help me to overthrow the tempting enemy.

When I can no longer say: “Jesus, Mary, and Joseph, I place my soul in your hands,” I ask you to say it to me; when I can longer hear human words of consolation, comfort me. Leave me not before I have been judged, and if I have to atone for my sins in purgatory, pray for me earnestly; and admonish my friends to procure for me a speedy enjoyment of the blessed vision of God. Lessen my sufferings, deliver me speedily, and lead my soul into heaven with you: that, united with all the elect, I may there bless and praise my God and you for all eternity.

Amen.

'SI ROBREDO HINDI BULAG, HINDI NANINIRA'

WATCH: Malacañang commended Naga City Mayor and former Vice President Leni Robredo for recognizing the Marcos administration's housing program.

Communications Undersecretary Claire Castro said Robredo's remarks show that public service should not be driven by political rivalry or efforts to discredit others.

Robredo and Marcos were rivals in the 2022 elections.

"Walang hatakan pababa o siraan kung hindi puspusang trabaho lang para sa bayan. Kaya huwag magpaloko sa mga nagpapanggap na lingkod-bayan pero puro paninira lang ang ginagawa at pilit binubulag ang taumbayan sa katotohanan," Castro said. | **Tristan Nodalo**, **newswatchplus.ph**

Who else is still stuck in the high of Dalagan 2026? Because we definitely are! 🥹

It takes a special kind of energy to make an event this unforgettable. The rain thought it could stop us, but the youth of San Enrique proved that when we say "Ano, tara?" we mean business—no matter the weather!

From the early morning setup at the Imbang Pequeño Gymnasium to running through the streets soaked, covered in color powder, and laughing through every mile, Dalagan 2026 was truly one for the books. This recap video perfectly captures how we brought the fire to kick off this year's Kalamay Festival. If you're suffering from major post-event separation anxiety like us, watch this, relive the moments, and try to spot your paint-covered faces!

Thank you to everyone who showed up, ran, and made this piece of history happen. Until our next run, San Enrique! 🏁💚

🎵 Music Credit:
The official soundtrack bringing this recap video to life is a composition created by our very own SEKAP Adviser, Primma Lico. Thank you for perfectly capturing the rhythm of our energy! 💪🔥

Wala akong sinasabing puro news programs ang ilagay sa ABS pati sa kahit anong network at channel pa yan. Variety ang nais ko talaga. Higut sa lahat din, hindi labis na drama.

Eh pero kahit ano at sino pa ang ilagay, pati kahit ano pang dami yan ng news at entertainment, di parati lahat papanigan at tatangkilikin yang mga iyan eh.

May damdamin din ang mga suki't napapadaan pa diyan. Pabago-bago pa nga eh. 😅😅😅

Are you aware that the Vice President is a lawyer?
NBI-BARMM RD Jeremy Lotoc:
Yes, sir.
Vinluan:
She has a law degree and passed the Bar Exam on the first attempt with a rating of 80 percent. She has a higher grade than most of the lawyers here.
Atty. Amando Ligutan:

PINASLANG ANG FOUNDER NG VERSACE

Sa edad na 50, hindi akalain ng Italian fashion designer na si Giovanni Maria 'Gianni' Versace (1946-1997) na magwawakas ang kanyang buhay sa kanyang paboritong lugar. Pumanaw ang founder ng Versace matapos siyang barilin ni Andrew Cunanan, isang Filipino-American murderer. Si Gianni ay ang founder ng fashion brand na Versace. Ang kanyang husay sa mundo ng fashion ang naging dahilan upang maging fashion designer siya ng ilang sikat na celebrities gaya nina Elton John, Madonna, Naomi Campbell, Princess Diana, at iba pa.

Noong July 15, 1997, pumanaw si Gianni matapos na dalawang beses na barilin sa ulo, sa kanyang mansion sa Miami Beach, Florida, ng murderer na si Andrew Cunanan.

Malinis ang rekord ni Cunanan sa mga otoridad noon bago niya simulan ang kanyang walang habas na pagpatay noong 1997 sa Minneapolis. Noong April 27, 1997, matapos maglakbay mula sa San Diego, pinatay ni Cunanan si Jeffrey Trail. Si Trail ay dating kakilala ni David Madson, dating kasintahan ni Cunanan na pinaslang din ng huli noong May 3, 1997. Binaril ni Cunanan si Madson sa ulo, tinapon ang katawan sa isang lawa sa labas ng Minneapolis, at ninakaw ang

Jul 16, 2026 15:32:45

Madson sa ulo, tinapon ang katawan sa isang lawa sa labas ng Minneapolis, at ninakaw ang pagmamay-ari nitong pulang Jeep Cherokee. Makalipas ang dalawang araw, napasok ni Cunanan ang tahanan ng mayamang si Lee Miglin sa Chicago. Pinatay rin ni Cunanan si Miglin at saka ninakaw ang sasakayan nitong Lexus. Noong May 9, iniwan ni Cunanan ang ninakaw na Lexus sa Pennsville, New Jersey at saka binaril ang sepulturerong si William Reese. Ninakaw rin ni Cunanan ang truck ni Reese.

Mula New Jersey, naglakbay si Cunanan patungong Miami Beach. Noong July 11, namukaan ng isang empleyado ng fast-food chain si Cunanan matapos makita ang huli sa palabas na America's Most Wanted. Dito na nakakuha ng hint ang FBI at sila'y nagsagawa ng isang manhunt operation. Ngunit huli na ang lahat. July 15, 1997, binaril ni Cunanan ang fashion designer na si Versace sa kanyang mansyon sa Miami. Bagama't openly gay ang dalawa, bigo ang mga otoridad na matukoy ang ugnayan sa pagitan nina Versace at Cunanan. Ang pagkapaslang kay Versace ang nagtulak para sa isang malawakang operasyon upang tugisin si Cunanan. July 23, 1997, natagpuan ng mga otoridad si Cunanan na walang buhay. Pinaniniwalaang nagpakamatay ang murderer gamit ang baril na siya rin niyang ginamit sa pagpaslang sa kanyang mga biktima.

Lord our God, bless us, that the world may be blest. Help us, that the whole world may be helped. Grant us your mercy in Jesus Christ, who laid down his life for the whole world. May it soon be revealed that your kingdom stands and will bring our age to an end, a good and blessed end. Grant your blessing on every aspect of our lives, on all the concerns and requests we have on our hearts, and help us to praise and thank you every day. Let your will become known everywhere in spite of the horror and blasphemy, so that even the dying may glorify you and all who have to suffer may praise and thank you because they see your face and recognize your light. We want to entrust everything to you, Lord God. We await you. We rejoice and thank you, for we know your will shall be done. We know and believe that your name shall be glorified. Amen.

'MALA-FIREWORKS NA PASABOG'

Ito ang pahayag ng House Prosecution sa nakatakdang pagharap ni National Bureau of Investigation (NBI) Director Melvin Matibag bilang testigo sa impeachment trial ni Vice Pres. Sara Duterte sa Martes, July 21.

Giit ng Prosekusyon, kukumpletuhin ni Matibag ang testimonya ng mga naunang witness na sina NBI Senior Agent John Mark Calilung at NBI Regional Director Jeremy Lotoc.

Matatandaang ilang ulit sinabi ni Lotoc na si Matibag ang makasasagot sa ilang tanong kaugnay ng imbestigasyon sa umano'y pagbabanta laban sa bise at maging sa Pangulo.

Sinabi rin noon ni Matibag sa House Justice Committee na mayroon nang lead ang NBI sa umano'y kinausap na assassin o hitman ng bise.

Hindi naman kinumpirma ng Prosecution kung ito ang tinutukoy nilang "pasabog." | via Marianne Enriquez

The **Holden Commodore (VE)** is a full-size car that marked the introduction of the fourth generation of the Holden Commodore, a series of automobiles produced by Australian carmaker Holden. The VE was Holden's first project designed entirely in Australia; previous generations relied on Opel-sourced platforms. The company produced several body styles of the VE: a sedan, a ute, and a station wagon dubbed the Sportwagon. Variants by Holden's performance vehicle partner, Holden Special Vehicles, were released soon after the sedan's [illegible]oduction. Holden also introduced a series of changes

Ang civil war at pagpaslang sa czar ng russia at ganon din sa civil war at pagtanggal ng communist party sa koumintang nationalist party.
The cultural revolution of china.

Nang kumalat ang 2 marxist komunismo na ito sa Pilipinas,
Naging malakas ito at naging batayan ng martial law,
Hindi nagtagal ay nagkaroon ng pagdududa sa hanay nito at sila sila ang nagpatayan.
Dahilan para humina at magkawatak watak.

Itong armadong komunismo na ito ay 50 taon na sa ating bansa,
Napakaraming buhay na ang nawala una na ang mga kabataang estudyante na nahimok mamundok.

Hindi na ito ang komunismo na aking tinutukoy.
Ang komunismo na iyon ay sa panahon pa ni kumandante che guevarra ay hindi na napairal.
Dahilan para bumagsak ang communismo sa russia at maging capitalist economy na rin ang china.

Ang sinasabi ko na komunismo ay hindi ang komunismo na ito na dati ko pinaniwalaan,
Ang komunismo na aking sinabi ay ang lolo ng komunismo ni karl marx.
Yan po ay ang mga unang kristiano at unang mga muslim na nagsagawa nito sa madinah.

Allah hu akbar!
Aoodhu billahi minashaytani rajeem!
Kaya parang demonyo na ang mga kriminal sa pagpaslang ng tao dahil sa mga katulad nito na ipinangkakampanya ang pagpatay ng kapwa tao.
Iha ako na lang ang natitira ninyong alas na handang magpakulong sa Icc para ubosin ang mga kriminal.
Wag mong naisin na maunahan ako dahil ang masagana at ang masaya kong pamilya ang handa ko ipagpalit para lamang maging matahimik at mapayapa ang kinabukasan niyo.
Kung may pananampalataya po kayo,
In shaa Allah ay manalangin po kayo at humingi ng tawad sa Panginoon sa inyong panawagan dahil napakasama po ng inyong mga hakbangin.

‘KUNG MAY PANANAMPALATAYA PO KAYO, IN SHAA ALLAH AY MANALANGIN PO KAYO’

Ito ang tugon ni Sen. Robin Padilla kaugnay sa post ng isang netizen tungkol sa kaniya.

Paliwanag ni Padilla sa nag-post, siya na lamang daw ang natitirang alas ng publiko na handang magpakulong sa International Criminal Court (ICC) para ubusin ang aniya’y mga kriminal.

“‘Wag mong naisin na maunahan ako dahil ang masagana at ang masaya kong pamilya, handa ko ipagpalit para lamang maging matahimik at mapayapa ang kinabukasan niyo,” sabi ng senador.

'BUNTIS PO ANG ASAWA KO. HUWAG N'YO PO AKO SANANG SAKTAN'

Ito ang nakasulat sa likod ng helmet ng isang motorcycle taxi rider na nasakyan ng kasintahan ni YouScooper Primo Baconawa, madaling araw ng Huwebes, July 16, 2026.

Pumukaw sa netizens ang Facebook post na ito ni Primo na tila may kaugnayan sa mga insidente ng karahasan nitong mga nakaraang araw kung saan naging biktima ang ilang motorcycle taxi rider.

Ayon sa YouScooper, bilang isang pasahero na madalas gumamit ng motorcycle ride-hailing apps, nakababahala ang mga krimen na nangyayari sa bansa at nagdudulot ito ng takot at pangamba sa mga Pilipino.

"No one should ever have to wear a message like that just to make it home safely. No one should have to leave for work wondering if they will return alive to the family waiting for them," saad ni Primo. #YouScoop

‘TAMA NA, KUYA. GISING NA. HINDI PA HULI ANG LAHAT’

Actress Angel Locsin wrote a letter addressed to Senator Robin Padilla after he declared that he is a communist.

“Nung mga panahong magkasama tayo, madalas mong ikwento yung panahon na namundok ka at nag-armas para ipaglaban ang bayan. Sabi mo pa nga, dinadalaw ka ng ex mo sa bundok,” she said on Thursday.

Locsin later on questioned why Padilla was silent when she was being red-tagged.

“Ang tanong ko lang, nasaan ka nung panahong nirered-tag ako kahit alam mong hindi totoo? Actually, kasama mo pa nga at kachikahan yung mga nangre-red-tag. Naghugas-kamay at pumikit sa katotohanan,” she added.

She urged the senator to “wake up,” saying it’s not too late.

“Isa ka sa pinaka-makabayang taong nakilala. Ikaw si Andres Bonifacio. Kaya nakakalungkot pag nakakabasa ako ng stand mo pagdating sa China. Hindi ito ang Robin Padilla na nakilala at hinangaan ko,” Locsin wrote. (Instagram/Angel

therealangellocsin Nung mga panahong magkasama tayo, madalas mong ikwento yung panahon na namundok ka at nag-armas para ipaglaban ang bayan. Sabi mo pa nga, dinadalaw ka ng ex mo sa bundok.

Sa statement mo na to, kahit papaano, natuwa akong makita ulit yung dating Robin Padilla na nakilala ko. At least, honest ka ngayon, Kuya.

Ang tanong ko lang, nasaan ka nung panahong nirered-tag ako kahit alam mong hindi totoo? Actually, kasama mo pa nga at kachikahan yung mga nangre-red-tag. Naghugas-kamay at pumikit sa katotohanan.

Isa sa mga pinakamalaking dahilan kung bakit ka binoto ng maraming Pilipino ay dahil inasahan nilang magiging matapang kang boses para sa mga kapatid nating Muslim. Pero bakit parang mas ipinaglalaban mo pa si Quiboloy? Naniniwala ka ba talaga na siya ang "appointed son of God"?

Isa ka sa pinaka-makabayang taong nakilala. Ikaw si Andres Bonifacio. Kaya nakakalungkot pag nakakabasa ako ng stand mo pagdating sa China. Hindi ito ang Robin Padilla na nakilala at hinangaan ko.

Kahit paano, alam kong halos pareho tayong landas na dinaanan. Galing sa hirap, nagtrababo ng maaga, tinangkilik at nakapagpasaya ng mga tao. Ang utang na loob natin ay sa ating diyos at sa lahat ng Pilipino —hindi lamang sa isang tao.

Tama na, Kuya. Gising na. Hindi pa huli ang lahat.

'DON'T JUST SUSPEND HIM, FIRE GABRIEL GO!' MMDA TOLD

ACT Teachers party-list Rep. Antonio Tinio has called for the dismissal of Metro Manila Development Authority Special Operations Group chief Gabriel Go, accusing the official of repeatedly violating citizens' rights by turning traffic enforcement into social media content.

"It's time to go, Gabriel Go," Tinio said as he urged MMDA Chairman Romando Artes to remove the official from his post instead of merely suspending him.

‘MAYROON PO KAYONG KAALAMAN SA ISLAM?’

Ginkwestyon ni Senator-judge Robin Padilla ang assignment ni Atty. Jeremy Lotoc bilang regional director sang NBI Bangsamoro Autonomous Region in Muslim Mindanao (BARMM).

Antes ang 15-minute recess sang impeachment court, ginpamangkot ni Padilla si Atty. Lotoc kon may ihibalo ini sa Islam.

“Kayo po ba ay may kaalaman sa Islam? Ang BARMM po kasi is Muslim Mindanao,” ang pamangkot ni Padilla.

“Sir, kahit naman ho sino puwedeng i-assign kahit saang regional office dito sa Pilipinas,” ang sabat ni Lotoc.

Tahimik sa flood control? Certainly not Angel Locsin 😌 See receipts below ⬇️

Today, I'm breaking my social media silence. To all Filipinos fighting corruption – may God give you more strength to keep going. 🙏
Watching the hearings, I couldn't help but remember the messages and news of people begging for help. Families with homes washed away, parents who lost their work, lives lost to floods/typhoons. Naiiyak ako sa galit. kasi pwede pa lang hindi sila naghirap. Pwede pa lang walang nasaktan. Pwede pa lang walang namatay.
Ang bigat. Nakakapanghina yung ganitong kasamaan. Pero mas nakakapanghina kung mananahimik lang tayo. Kaya we keep speaking, we

Not another one 😔
Hoping everyone in Cebu is safe.
Are we all thinking the same — is it just because of the rain, or because something could've been done to prevent it?
Hope authorities look into this as well so it doesn't happen again.
Wishing our kababayans a quick recovery and safer days ahead. 🙏

HOW CORRUPTION MAY HAVE COST LIVES.
188 dead and rising. The worst flash flood in the history of the province. Cebu has 414 flood control projects worth to P26.7 billion from 2022 to 2025 - meant to protect our people, homes and livestock. What happened? Show more
